CCECC FUZHOU SURVEY & DESIGN INSTITUTE
CO.2024 Year 12 Month 5 Day

CCECC FUZHOU SURVEY & DESIGN INSTITUTE CO. Domestic Project Business Management Measures

Chapter 1 General Provisions

Article 1 In accordance with the Guiding Opinions on High-Quality Business Operations of the Company, and in conjunction with the relevant requirements of the Group Company's Implementation Rules for High-Quality Business Operations (Trial) (CCECC Operations [2024]341), this Measures is hereby formulated to comprehensively improve project business quality, effectively manage the company's domestic business operations, and standardize business procedures and workflows.

Article 2 Projects referred to in these Measures mean all types of company business undertaken through direct entrustment or bidding, including consulting, survey, design, supervision, engineering procurement construction, etc.

Article 3 In principle, business undertaking work shall follow the procedure of project assessment first, then application for approval, and finally contract signing.

Article 4 When carrying out project business undertaking work, factors such as the company's development strategy, business direction, responsibility cost, production and technical capabilities, and current status shall be comprehensively considered, and in accordance with the process provisions of these Measures, the work of such stages as "information tracking, project assessment and application, bid document preparation and review, contract negotiation, contract review and signing, owner services during project implementation, and project return visits" shall be completed.

Chapter 2 Relevant Responsibilities

Article 5 The Business Development Department is the management department for the company's domestic project business work, responsible for the layout and expansion of the institute's business market.
