To all departments and subordinate units of the Company:

The Measures for the Administration of Domestic Project Business of CCECC FUZHOU SURVEY & DESIGN INSTITUTE CO. were studied and approved at the eighth general manager's office meeting of the Company in 2024, and are hereby issued for implementation. Please comply and implement.

CCECC FUZHOU SURVEY & DESIGN INSTITUTE CO.

December 5, 2024

Measures for the Administration of Domestic Project Business of CCECC FUZHOU SURVEY & DESIGN INSTITUTE CO.

Chapter 1 General Provisions

Article 1 In accordance with the guiding opinions of the Joint-Stock Company on high-quality business operations, and in conjunction with the relevant requirements of the Group Company's Implementation Rules for High-Quality Business Operations (Trial) (Zhongtu Jingying [2024] No. 341), these Measures are specially formulated to comprehensively improve the quality of project operations, effectively manage the company's domestic business operations, and standardize business procedures and workflows.

Article 2 Projects in these Measures refer to various types of the Company's business undertakings contracted through direct entrustment or bidding, such as consulting, survey, design, supervision, and engineering general contracting.

Article 3 In principle, business contracting work shall follow the procedure of project evaluation first, then application for approval, and finally contract signing.

Article 4 When carrying out project business contracting work, factors such as the Company's development strategy, business direction, responsibility cost, production and technical capabilities, and current status shall be comprehensively considered, and in accordance with the procedural provisions of these Measures, the work of such stages as information tracking, project evaluation and application, bid document preparation and review, contract negotiation, contract review and signing, owner services during project implementation, and project return visits shall be completed.

Chapter 2 Relevant Responsibilities

Article 5 The Business Development Department is the management department for the Company's domestic project business work and is responsible for the layout and development of the institute's business market.

Article 6 The relevant personnel involved in project business work and their main responsibilities are shown in Table 1:
